Reality check in your organization

QUESTION TO ASK	☹️ NO WE DON'T	😐 TO SOME DEGREE	😊 YES WE DO
Does your organization have an overview of employees' skills, strengths, and capabilities?			
Are you currently training and hiring for specific skills to keep growth on target?			
Does your organization have the flexibility to train remotely?			
Is your organization offering development planning suited to a post-pandemic workforce?			
Do you and your employees have access to the right content for meaningful skills training?			
Do you track employee engagement in your current training initiatives?			
Does your organization track training results and know the return on investment?'			

Welcome to the future of skills training
