Leadership to inspire

🕐 45 min

Leader   Culture

We're listening

Business leaders and learners alike are calling for new routines

Employees are looking for

✓ Accessible skills training, in office or at home

✓ Opportunities to grow and advance in their role

✓ Meaningful connections to the workplace

Businesses are looking to

✓ Invest in training to bridge growing skill gaps

✓ Find flexible and cost-effective training solutions

✓ Create an engaging work culture that retains talent

"eloomi is **fun and easy** to use, with some very good off the shelf learning content."

A better way to train

❌ Eliminate

– Time consuming searches for the right content

– Intensive provider evaluations

– Hassle of juggling multiple providers in your LMS/LXP

👎 Reduce

– Cost of training

– Time and resources spent without ROI

– Administrative pains and paperwork

👍 Raise

– Access to 75k+ courses from 200+ providers

– Relevant and engaging learning content for your employees

– Flexibility to change training topics, any time

⭐ Create

– A new culture of learning

– Your own organization-wide capability academy

– Effective upskilling and training to retain top talent

Reality check in your organization

Ask the following questions for your organization

| QUESTION TO ASK	☹️	😐	😊
Do you have the right content to tackle your organization's training needs?			
Is it easy to access content for new training initiatives?			
Are you covered on compliance regulations, locally and internationally?			
Can you swiftly adapt current training to new changes and demand?			
Does your organization have a strategy for bridging skill gaps and nurturing talent?			
Are you able to offer training tailored to your employees' interests and development goals?			
Are employees enabled to pursue self-directed learning at work?
